

Appl. No.: 10/617,345
Amdt. dated: July 7, 2004
Reply to Office action of 06/30/2004

REMARKS / ARGUMENTS

The June 30, 2004 office communication asserts that the amendment to the specification, requested April 12, 2004, is not fully responsive to the prior office action because the amendments do not show the changes made relative to the immediate prior version. The applicant hereby resubmits the request to amend the specification, as requested in the April 12, 2004 amendment, with revisions to indicate the exact words to be added and deleted from the relevant paragraphs.

The applicant respectfully requests that a timely Notice of Allowance be issued in this case. If the Examiner believes that for any reason direct contact with applicant's attorney would advance the prosecution of this application, the Examiner is invited to telephone the undersigned at the number below.

Respectfully submitted,
